### Description

Long version part 1 (BE)

The ProCORE18V 8.0Ah Professional is a Bosch ProCORE18V series high-performance battery, delivering the equivalent of up to 1,800 watts of corded power. Its new generation cell technology, combined with Bosch's intelligent battery management, delivers 87% more power than conventional batteries. For added flexibility, it is compatible with all new and existing Bosch Professional 18 V tools and chargers (Professional 18 V System). The battery also features COOLPACK 2.0 technology for superior heat dissipation from the inside to the outside of the battery. As heat can damage the cells, this COOLPACK 2.0 technology provides an impressive 135% longer lifetime than standard batteries, enabling it to perform for longer work periods.

Long version part 2 (BE)

The ProCORE18V 8.0 Ah Professional is a Lithium-ion (Li-ion) battery with a fuel gauge display for battery status.
